

## ***Claremont, Newport, and Greater Sullivan County Families...***

- Are you dealing with the challenge of youth substance abuse?
- Is someone you know exhibiting behaviors associated with it, or is in the recovery process?
  - Do you feel alone and helpless?

***These issues are difficult to deal with alone...  
and now you don't have to!***

The following support group is confidential, open to the general public and best of all it is *FREE!*

***FASTER*** (*Families Advocating Substance Treatment Education & Recovery*) presents:
