

Voices for Change Youth Council

The Youth involved with VCF:

- ❖ Serve as positive role models in the community
- ❖ Are able to communicate effectively with peers and adults
- ❖ Assist in statewide planning and activities to empower fellow youth and influence change
- ❖ Participate in, organize, and lead activities in the local community
- ❖ Experience opportunities for training and leadership

Learn about all the opportunities...

- National OJJDP Conference in Dallas, TX
- Developing Teen resources in the county through research, travel, and program development
- Teen Institute training
- Youth employment and workforce development opportunities
- Media Power training and media campaigning
- Youth-Adult partnership training
- Recreational activities
- Leadership training conferences and training
- Youth Activism

You'll see we have a lot to offer...make sure you encourage your youth to share their voice!
